

Changing UDS Signature in Email

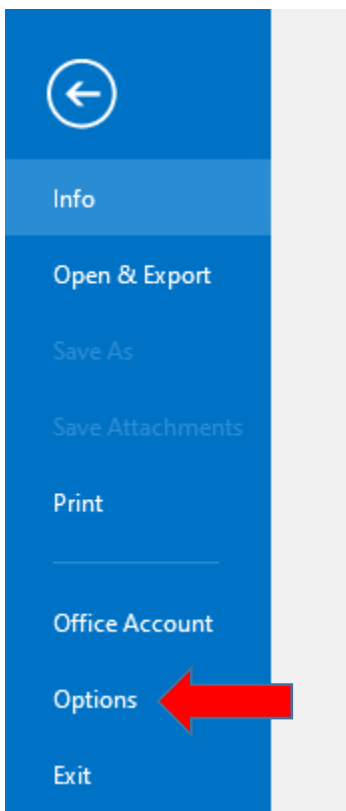

1. Open your email (Outlook).

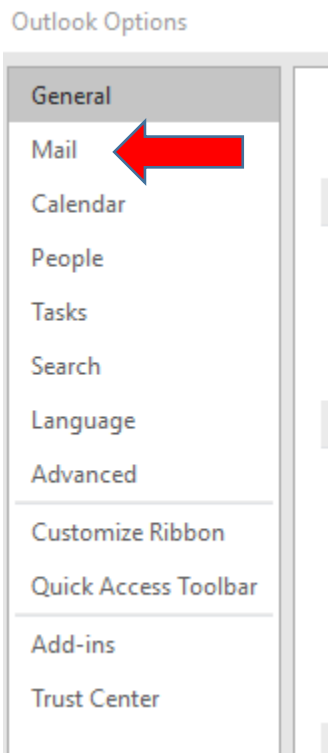

2. After opening your email click on “File” in the top left corner.

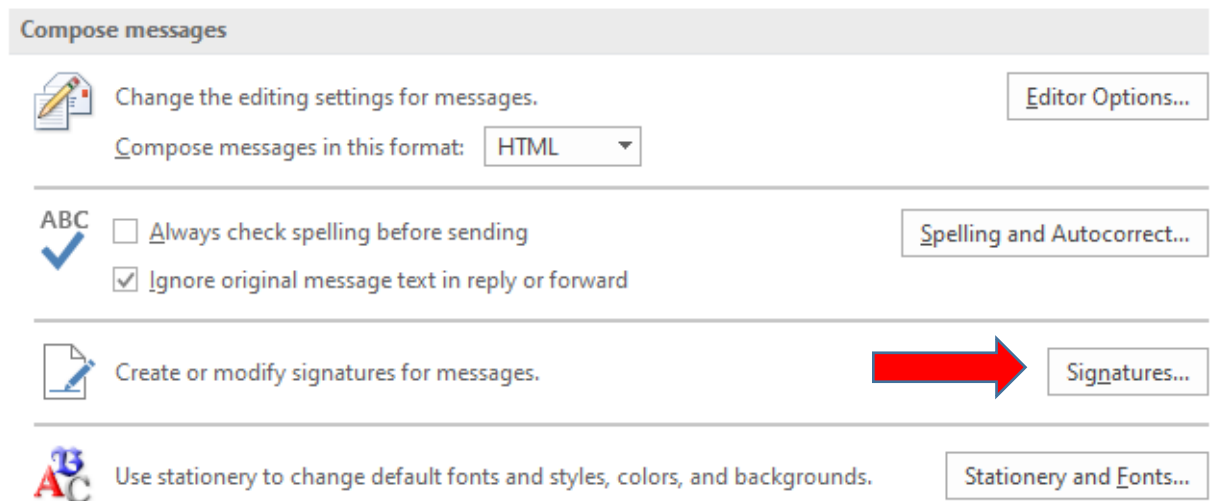

3. On the side bar click on the “Options” button.

4. After clicking on Options a screen will pop up with different settings. On the left side of this screen click on the “Mail” tab.

5. In the Mail settings, under the “Compose messages” section click on the “Signatures button.”

6. In the Signatures settings screen scroll down on your existing signature until you see the existing UDS Foundation logo. Click on that logo so that it has a grey dotted-box around it.

7. In the middle of the page you will see an “Edit Signature”, circled in red in the picture below. Right below that is a tool bar with some options to choose from, click on the Picture Icon next to the word “Business Card” where the arrow is pointing in the image below.
